CALL FOR TOLERANCE BY YUNUS EMRE

Dear Partners,

we are very glad to inform you that our project has been approved by Turkish National Agency. We are very happy to realize this project together with you and once again thank you for your support and cooperation.

In this Info Pack I, you may find some general information about the project and about the preparation process. Before the project starts, you will receive one more Info Pack about the logistic information regarding the accommodation, food and local transportation of the project.

Please do not hesitate for any question or suggestion.

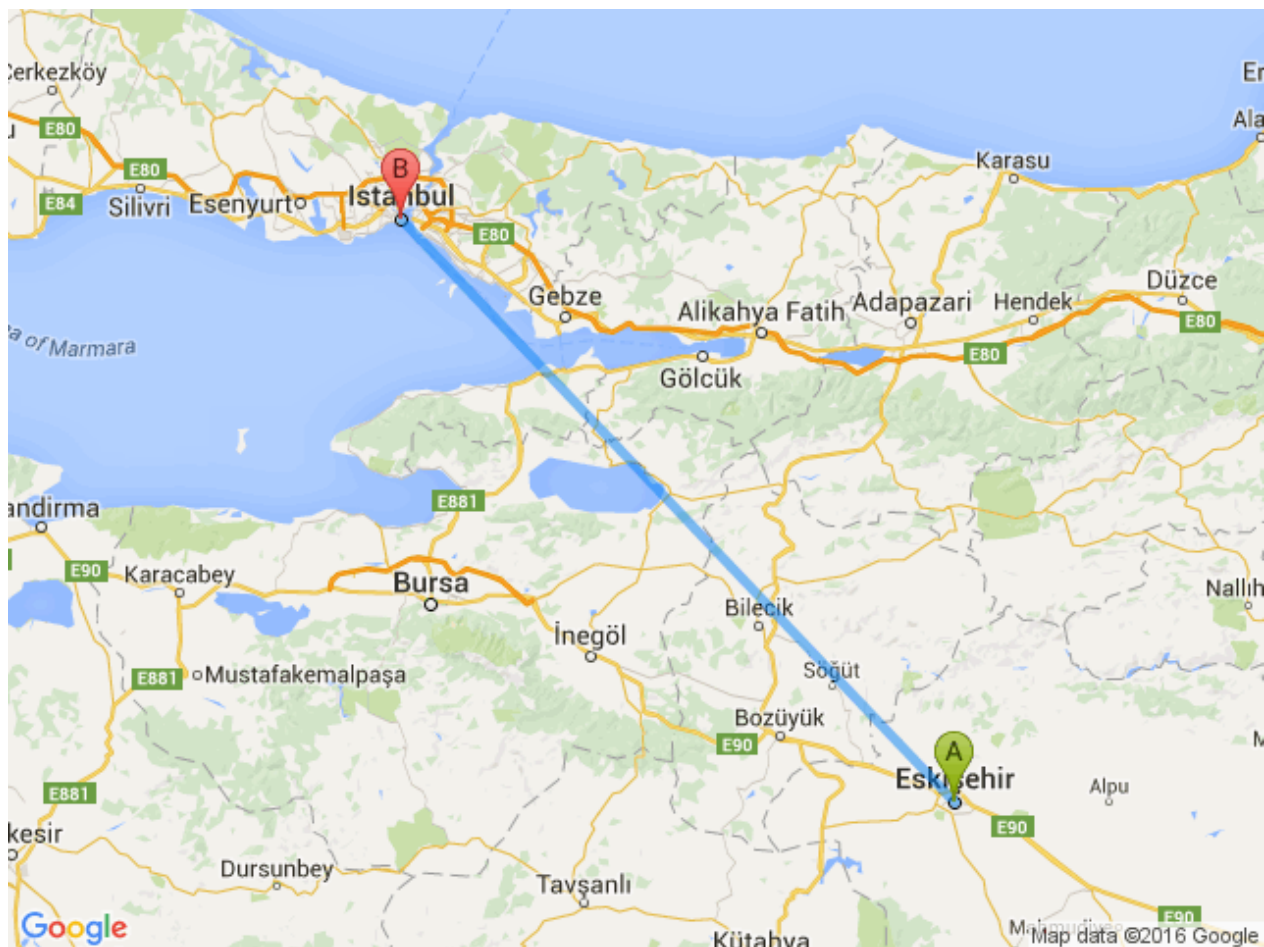

We would be happy to hear your opinions

Kind Regards

ABOUT THE PROJECT

Our project recently again rising anti-Islamic movement, xenophobia, Yunus Emre's philosophy of tolerance, so that we can fight with thoughts such as Islamophobia, we believe that we need to understand better. Because of the undisputed pioneer of the Turkish people and Turkish poets who put in all the simplicity and beauty of Islam through the Yunus Emre Turkish language is a human sample brought into the love of philosophy. One of the people who Yunus Emre, people's values, thoughts and feelings as expressed in our history has the distinction of being one of the most return on public peace intellectuals. The language of the Turkish mysticism and poetry, the founder of the Yunus Emre's poems morality, wisdom, religion, almost all subjects as love is put into place the interests of mysticism and Sufism opinion. One of the people who Yunus Emre, people's values, thoughts and feelings as expressed in our history has the distinction of being one of the most return on public peace intellectuals. The language of the Turkish mysticism and poetry, the founder of the Yunus Emre's poems morality, wisdom, religion, almost all subjects as love is put into place the interests of mysticism and Sufism opinion. Inculcate moral values in the verse found in didactic Yunus Emre, "to heart break" it gives a special importance to the issue and "superior value" as the subject works diligently in his poems. "Religion okay when nature conversation," said Yunus, Islam, patience, contentment, tolerance, generosity, kindness, embrace virtues inculcates values. Dolphin's understanding of art, which manifests itself in verse reconcile religious and national values; nationalization of Sufism, Turkish interpreter of the most beautiful and would be using the most powerful features. Therefore, the aim of our project its prejudices constitute taking advantage of these features, our young people on issues such as xenophobia by reinterpreted with his poetry and Sufi music, and we think we can illuminate with a different perspective.
